HOUSING INFORMATION

We have found a great partner in EventConnect to manage the housing needs of our travel teams. When looking for a housing service, we wanted to make sure customer service was the most important part of the puzzle. Below is a link to secured rates for hotels in the Wisconsin Dells Area.

[2025 HOTEL LINK - Summer Slam](#)

We do not have a "Stay to Play" policy. We have secured the best prices available and hope that you will use the rooms in our block. The event does receive a financial benefit from the booking of the hotel rooms through the online system. This financial benefit is used to offset the cost of the facility to help keep the cost of team entry fee down from year to year. Teams are encouraged to book their hotel accommodations through EventConnect.

Please use the link to the housing form for those that did not book through EventConnect:

This will be the official schedule. There will be no paper posting of pool results at any site. Check the internet for all the results.

WE WILL HAVE A QR CODE POSTED FOR EASY ACCESS TO AES.

ALL TEAMS – CHECK YOUR FINISH

Before leaving the site, be sure you carefully check your position in the pool. **There will be no tie breaking playoff matches at any level or age group following pool play.** The following tie breaking procedure will be utilized based on Match%, Head-to-Head, Set %, & Point %. Site Directors will **NOT** be held accountable for miscommunications or schedule interpretations. The official tournament posting on the Internet is the only source that will be considered should a dispute arise. **These results are updated every 10-15 minutes.** All teams are responsible for determining when they will play or work their next match. **Please read the schedules carefully.**

MATCH TIMES – STARTING EARLY

Match start times may be accelerated if coaches, officiating teams, and officials agree. For the purpose of determining forfeits, the scheduled time is the match time, and any forfeit may only occur at the scheduled starting time. At the scheduled match time, if a team fails to show, the first set will be forfeited. 15 minutes after the scheduled match time, if a team fails to show, the second set will be forfeited. Extenuating circumstances will be at the discretion of the Tournament Director. Be at your court 45 minutes before your scheduled time to keep matches flowing.

WARM-UP PROCEDURES

For all matches during the event, warm-up time will be 2-4-4. 2 minutes for shared ball handling, 4 minutes for the serving team to have the entire court, 4 minutes for the receiving team to have the entire court. **Teams must provide their own volleyballs for warm-ups.**

LIBERO

Libero will be allowed to serve in this event. Libero may be changed between sets. A single libero will be allowed per set.

TIE-BREAKING PROCEDURES

There will be no tie breaking playoff matches at any level or age group following pool play. The following tie breaking procedure will be utilized based on Match%, Head-to-Head, Set %, & Point %.

PROTEST PROCEDURE

If a protest needs to be filed it is to be done at the time of the incident, no later. The first referee is obligated to acknowledge and record all protests. Only the floor captain may file a protest. The protest must be written on the score sheet by the official scorekeeper or the first official and must be signed by the person presenting the protest as well as the first official. All protests will be ruled upon prior to the next service. **Judgment calls may not be protested.** Protests will be considered only for situations outlined in the USA Volleyball Official Rules booklet. The protest committee, designated by the head officials, will handle all protests.

TRAINER

There will be a trainer on duty at the Wisconsin Dells Center. They will attend to players free of charge. However, each player must provide their own supplies (tape, pre-wrap, etc.). Tape and Pre-Wrap will be available in the store located in the WDC. Players are encouraged to talk with the trainers if they have a problem or question. All injuries should be reported to the trainer's station at the WDC. All coaches are required to always have their players Emergency Medical Release Forms with them. Teams are encouraged to have a small first aid kit with them courtside for minor cuts etc.

FOOD & DRINK

There is to be **no outside food or drink brought into the facility.** Please leave all coolers and food outside the facilities. A picnic or area may be designated to keep your coolers. In the event an area is not designated we ask that coolers and food remain in your vehicle. Absolutely no food is allowed on the Sport Court surfaces or court areas in any of the facilities. There will be ample food options at concession stands that will be open during the full event.

TEAM & PLAYER POLICIES

OFFICIATING ASSIGNMENTS

Teams are required to officiate as noted on the master schedule. (5 Team pools – the off team will ref two courts) During the pool play rounds the officiating teams are designated on the schedule available online. Teams must supply a minimum of 5 people, (per court in 5 team pools) a (R2) down referee, 2 lines people, and 2 scorers (1 to score and one flip score). It is NOT required in this tournament that a coach be the 2nd referee. A rostered adult from the officiating team must be present during all matches. (Somewhere around the court, and available to the court official should the need arise

- Work team is responsible for throwing away all used line up sheets and trash at the end of the match.
- Up ref (R1) will bring the score sheet to the tournament desk.
- No food or drinks other than water at the score table.

On Saturday, on most of the courts the losing team will stay and officiate the next match on their court. Check the schedule for verification of your work assignments (you may have a different age or division on your court to ref).

The definition of "next match" is the next match that requires an officiating team on that court. For example, a team which loses a match at 8:00 am will normally officiate the next match which is scheduled at 9:00 am, however if there is no scheduled match at 9:00am or the 9:00am match is forfeited by a team, the scheduled officiating team will ref the next match which occurs on that court.

In order to start the tournament on Saturday some of the teams that play at 9:00am will have to be the work team at 8:00 am. These teams are noted in both the master schedule and on the playoff charts. On the playoff chart the officiating teams are those teams which have a box around them. Check the schedule carefully to see if you are the assigned team to officiate the 8:00am match on Saturday.

MISSED OFFICIATING DUTIES

A team's failure to have a complete officiating crew, including a rostered coach for that team, available and on time, for a match officiating assignment (pool play, or playoff) could result in the team having to forfeit the first game of its next match. **It is important to ensure your officiating crew is on your court and ready to officiate (especially the first match of the day) a MINIMUM of 15 minutes before the scheduled start time of the match.** For every minute an officiating team is late to fulfill its assignment, one point will be awarded to that team's next opponent for the first game of the next match – up to 25 points. No more than 25 points will be awarded to the team's next opponent, even if the team designated to officiate misses the entire match. The clock begins to run at the completion of the final 4 minutes of warmups. A team will forfeit its entire next match for failing, a second time, to have an officiating crew available, on time, for an officiating assignment

TEAM FORFEITURES

A team that intentionally forfeits a match will be excluded from further participation in the event. If a team forfeits a match, the forfeit will be considered intentional unless the team shows compelling cause for the forfeit. The Event Arbitrator will determine if compelling cause exists.

Last Day Forfeits: Teams that enter the Mizuno Summer Slam are committing to participating in the full event. Teams have control over their travel plans and those plans should be made so that a team will not have to forfeit any matches. A team that forfeits a match for any reason other than illness, injury or emergency is denying another team a match. Additionally, in a single elimination format, it is poor sportsmanship to deny a team the right to move on by beating them and then forfeiting out of the event. Furthermore, it is even more unacceptable to forfeit and then, as loser of the match, not to remain and officiate the next match.

Teams that have no flexibility in their travel plans and know they will need to leave before the conclusion of an event should notify the Tournament Director early on in the event. A decision will be made by the Tournament Director when the team will need to take their forfeit. Teams forfeiting should recognize that additional penalties may apply, which at a minimum will include forfeiting the right for the team's club to attend the event in the future.
